

Key stage 2 results

2019	Attainment		Progress	
	School	National	School	What this means...
Reading	80% at the expected standard 20% at Greater Depth Average scaled score = 106	73% at the expected standard 27% at Greater Depth Average scaled score = 104	-1.8	The achievement of our children in 2019 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Writing	80% at the expected standard 30% at Greater Depth Average scaled score = n/a	78% at the expected standard 20% at Greater Depth Average scaled score = n/a	-1.0	The achievement of our children in 2019 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Grammar, Writing and Spelling	83% at the expected standard 30% at Greater Depth Average scaled score = 108	78% at the expected standard 36% at Greater Depth Average scaled score = 106		N/A
Mathematics	77% at the expected standard 27% at Greater Depth Average scaled score = 106	79% at the expected standard 27% at Greater Depth Average scaled score = 105	-1.2	The achievement of our children in 2019 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Combined (Reading, writing and maths)	73% at the expected standard 10% at Greater Depth	65% at the expected standard 11% at Greater Depth		N/A

2018	Attainment		Progress	
	School	National	School	What this means...
Reading	83% at the expected standard 37% at Greater Depth Average scaled score = 107	75% at the expected standard 28% at Greater Depth Average scaled score = 105	-0.7	The achievement of our children in 2018 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Writing	90% at the expected standard 40% at Greater Depth Average scaled score = n/a	78% at the expected standard 20% at Greater Depth Average scaled score = n/a	+1.0	The achievement of our children in 2018 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Grammar, Writing and Spelling	80% at the expected standard 50% at Greater Depth	78% at the expected standard 34% at Greater Depth		N/A
Mathematics	73% at the expected standard 37% at Greater Depth Average scaled score = 105	76% at the expected standard 24% at Greater Depth Average scaled score = 104	-1.5	The achievement of our children in 2018 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Combined (Reading, writing and maths)	73% at the expected standard 17% at Greater Depth	64% at the expected standard 10% at Greater Depth		N/A

2017	Attainment		Progress	
	School	National	School	What this means...
Reading	86% at the expected standard 31% at Greater Depth Average scaled score = 107	72% at the expected standard 25% at Greater Depth Average scaled score = 104	-2.0	The achievement of our children in 2018 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Writing	93% at the expected standard 38% at Greater Depth Average scaled score = n/a	76% at the expected standard 18% at Greater Depth Average scaled score = n/a	-0.1	The achievement of our children in 2018 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Grammar, Writing and Spelling	93% at the expected standard 45% at Greater Depth	77% at the expected standard 31% at Greater Depth		N/A
Mathematics	93% at the expected standard 28% at Greater Depth Average scaled score = 107	75% at the expected standard 23% at Greater Depth Average scaled score = 104	-1.2	The achievement of our children in 2018 was in line with the national rate of progress through Key stage 2. Our children made the expected level of progress from their Key stage 1 starting points compared to other children of the same ability nationally.
Combined (Reading, writing and maths)	83% at the expected standard 14% at Greater Depth	61% at the expected standard 9% at Greater Depth		N/A
