News!

Dear Parents/Carers,

This week took me back to the days of the lockdown; small numbers of children on site (Wednesday) and online learning (Thursday). Well done to all those that engaged yesterday with the online sessions. The number of children logging on to TEAMS astounded me and demonstrated how much we have all learnt over the last few years. The children are certainly a lot more confident with online sessions.

Over the week, Year 5 enjoyed a visit to the National Space centre, many classes finished their pieces for the art exhibition in March and all children were keen to share their writing journals with me. Staff have been working hard creating a sensory room in school and preparing the gardens for spring.

Best wishes,

Mrs Bodman-Knight

CHILDREN'S MENTAL HEALTH WEEK AND MUFTI DAY

We are proud to be supporting Children's mental health week with the support of our Magnificent Mind Champions. On Friday 10th February, children are asked to come to school in clothing that reflects their mood/feelings.

LITTER PICKING LEGENDS!

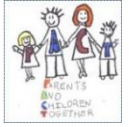

A huge well done and thank you to Charlie and Evie who have once again been out and about around the KLV collecting litter. It astounds me that this is something we have to do despite the numerous 'Keep Britain Tidy' campaigns in the past and the current environmental issues being constantly on the news.

VIRTUAL SCHOOL TRIPS

As well as the visit to the National Space Centre this week, Ares class were also treated to a live stream from the SaxaVord Space Centre in the Shetland Isles. Next week, Zeus are going to be having a virtual session from the Jorvik Centre, York and in a few weeks time Athena will be having one linked to their science unit on Living Things. These valuable sessions are free and are really enhancing the learning.
