News!

Dear Parents/Carers,

We have had a busy week in school.

Training days were taken up with updating our safeguarding training inline with new national information and changes followed by a 'dive' into data and how we can use this to move the learning on.

On Wednesday, we saw the return of our children and their families and welcomed new families to the school. It has been so wonderful to see everyone again, catch up and hear the many tales from the summer.

The week has been warm but the children have shown the school values and already, Zeus class are being excellent role models.

Thank you for your patience too as we navigate staff absence and for the care and thought you have shown all our staff both the wishes to those who are poorly and the kindness to those in school.

Next week, Zeus class head to Wales and the school year properly starts with visits from our InMAT team and more training for some of our new staff.

In the meantime, enjoy the sun over the weekend and I look forward to another great year at HMPS!

Mrs Bodman-Knight

Iris – previous one in June

The national expected attendance at school is 95% or above.

We have already received absence requests from parents. Please note we have a legal duty to report absence and this can result in penalty fines and further actions from North Northants Council. All fines are issues and paid to them with school making no money from this.

	<p>However, some absences are unavoidable. If your child needs to take a day off for a medical appointment or family wedding we will need proof in the way of a copy of a text or a copy of the invite. Failure to do so will result in the absence being recorded as unauthorised.</p>
