Headline!

News!

Dear Parents/Carers,

It was another busy week in school. At the beginning of the week, it was fabulous seeing Pamela and Harold, the giraffe, this week in school and seeing the children engaging so well with these sessions. On Wednesday we had monitoring visits from one of our school governors who was focusing on writing, our supporting link from Read Write Inc looking at phonics across the school and how we can further enhance this and our school improvement lead, Renuka Popat, who led a 'deep dive' into geography. Our staff carried on, as they always do, and it was great to hear lovely comments about the learning and the delightful manners of our children.

Have a lovely weekend,

Mrs Bodman-Knight

STARS OF THE WEEK

PUPIL	CLASS
Alfie	Iris
Sofia	Demeter
Esmail	Apollo
Raiya	Poseidon
Rocco	Athena
Sienna	Ares
	Zeus

All parents are welcome at all our celebration assemblies, every Friday at 9am sharp.

Key Stage 2 Archery

Archery

Some of our children from Key Stage 2 went to do some archery this week, they were absolutely fantastic sportsmen/women and had a wonderful time in the process. Well done guys

Rugby Saints

Well done to Jack in Athena who was a mascot for the Northampton Saints Rugby team this week! You look very proud Jack, and we are very proud of you!

Tesco Community Fund

Our local big Tesco Extra has put us in their community fund project so if you're doing your weekly shop, getting a few odds and ends or even just popping for a Costa, please make sure you get a blue token from the checkouts and vote for us as a school, even better, share this info with friends and family for a bigger chance of our school winning! We appreciate your support!

Life Education

This week every child visited the 'Life Space' and had a session with the CORAM Life Education officer, Pamela. Sessions included 'All about me', 'Meet the brain', 'My wonderful body' and 'Decisions'. Year 4, 5 and 6 had further sessions through the 'Cyberwise' bespoke programme. All the children engaged really well with the session which are in their 3rd year here now. The Life Space supports our PSHE programme, Coram SCARF, which we follow each week. In the summer, Pamela will be back to deliver RSE sessions with Year 5/6 children.

A huge thank you to PACT for part funding this visit which we all benefit from and includes access to the PSHE lessons each week

Dates for your

DATES FOR DIARY!

January

30th January 2.45pm – Athena Year 4 Assembly

February

8th February – Year 6 SATS meeting

9th February – Mufti Day for all years – dress as your mood that day! All proceeds to go to the charity MIND.

SATS Parents Meeting Year 6

Thursday 8th February
