Outstanding Achievement

We are in the top 1% of all schools for our amazing Phonics Screener Check completed by our now Year 2 children last June. Please see the letter attached from Rt Hon Damian Hinds, Minister for Schools, congratulating the team which of course includes the staff, parents for your efforts and the children. We are bursting with pride!

Dear Parents/Carers,

Monday started with the very exciting letter from the Minister for Schools. We shared this in assembly so all the children could join in with our celebration. On Wednesday, we had a well-being LAC visit which involves looking at the well-being of staff and children across the school. Thursday saw our annual Health and Safety Audit which is very thorough and gives us areas to develop which supports our bids when we apply for funding.

Another busy week in school but a year on from the publication of our OFSTED report, we are still moving forward and striving to do the very best for all at Hall Meadow.

Have a great weekend,

Mrs Bodman-Knight

Tesco Community Fund

Our local big Tesco Extra and the small Tesco on London Road have put us in their community fund project so if you're doing your weekly shop, getting a few odds and ends or even just popping for a Costa, please make sure you get a blue token from the checkouts and vote for us as a school, even better, share this info with friends and family for a bigger chance of our school winning! We appreciate your support!
