News!

Hall Meadow Primary School in the top 1% of schools in the country!

Hall Meadow Primary School in Kettering were delighted to receive a letter from the Minister for Schools, Rt Hon Damian Hind MP to congratulate them on the schools' outstanding achievement in the 2023 Phonics Screening Check.

Dear Parents/Carers,

The end of this term marks the halfway point in the school year. It seems impossible that our youngest children have already completed half of their first year at school and our oldest children have left than 6 months left at primary school. Every year I ask myself 'where does the time go?'. Along with marking the halfway point, it seems spring is just around the corner and with spring comes new growth and we were delighted with the news that the Farmer family has grown with Mr Farmer welcoming two beautiful daughters this week. A huge thank you from him and all of us for the kindness and generosity that has been shown towards his new family of 4!

Looking around the school today, and in assembly, it's clear that the holiday is very much needed for all. Whatever you are doing; holidays, days out, days in and nothing at all, I hope it is relaxing and enables you to recharge ready for the second half of the year.

Have a great week off,

Mrs Bodman-Knight
