News!

What a busy week!

A visit from the Mayoress, World Book Day, the start of National Science Week, International Womens Day and Mother's day! It's been incredibly busy in school but absolutely wonderful to be a part of and the children have loved it all. Alongside this, our Local Academy Committee have been busy undertaking safeguarding training.

Topping off a good and busy week, InMAT (our overarching trust) won the Most Improved MAT of the Year award last night at the national MAT awards in London.

A great start to everyone's weekend!

Have a lovely weekend celebrating all the women in your lives,

Mrs Bodman-Knight

WORLD BOOK DAY

Thank you to everyone that participated in the World Book Day Competition! We had lots of entries showing the children reading in unusual locations: in a wheelbarrow, on a rope swing, in a supermarket, the boot of a car and also on the roof of a car!

World Book Day Competition Winners:

Our Reading Ambassadors have chosen three winners (which were announced in yesterday's assembly).

CONGRATULATIONS!

Key stage 1 : Rohan

Key stage 2 : Zara

Staff : Miss. Smith

The three winners were presented with a book and a certificate. One of the year 5 Reading Ambassadors (Kaitlynn), kindly spent time making hand-made bookmarks for the winners to choose as well!

Basketball

On Wednesday afternoon this fantastic group of children made us incredibly proud as they came out victors in their pool at the Take 8 Basketball competition. This format of basketball involves 4 boys playing 4 boys from another school and then 4 girls playing 4 girls, with the collective number of baskets being your score. The team did not lose any of their games, winning three and drawing one. Their success now means that they will represent the district in the county competition.

MAYOR VISIT

We had a visit from our Mayor to visit our councillors this week—they discussed how to make our school a greener and cleaner place and how we can do this in our day to day lives. We then planted some sunflower seeds and even gave the Mayor one to take home to see who can grow them the tallest!
