News!

Dear parents,

I left school last night (I have a heads briefing day today) feeling very proud after such a positive week.

On Tuesday, we had our external improvement lead in school. She focused on Early Years, Writing and Science. She was so pleased with every aspect but most importantly, the children. Their communication skills, manners, confidence and written work blew her away. She could not stop complimenting them. Of course, we know our children are like this but we absolutely love hearing it from others!

On Wednesday, whilst I was at a conference in London, our Y5/6 football team competed in the regional finals. Although they didn't win, they did us proud with our goalie once again shining along with the rest of the team. The whole team looked incredible thanks to a new sponsor who provided kits and tracksuit and the coach to take the children and some of their families. I, along with the other families, kept our mobiles close all afternoon watching the match scores come in. A huge well done to them all.

Thursday saw the school disco, which is always great fun. A big thanks to PACT for organising this. We have just put £4000 worth of orders into our finance team to support learning and playtimes. This would not have been possible without their hard work and your support. Thank you.

We have also been awarded a grant of £950 from Smurfit Kappa (a huge thank you to Mr H (parent) for organising) to support a new development in our training room. The library is moving indoors without current library becoming an outdoor reading area for playtimes and lunchtimes.

Next week sees parents evenings, art gallery and visits from our CEO and school improvement lead. We can't wait to see all of you!

Have a good weekend,

Mrs. Bodman-Knight

WEAR YELLOW FOR AIR
AMBULANCE

AIR AMBULANCE

22nd March MUFTI DAY

We are asking for children to wear yellow on this day and if able, bring along a donation for Air Ambulance

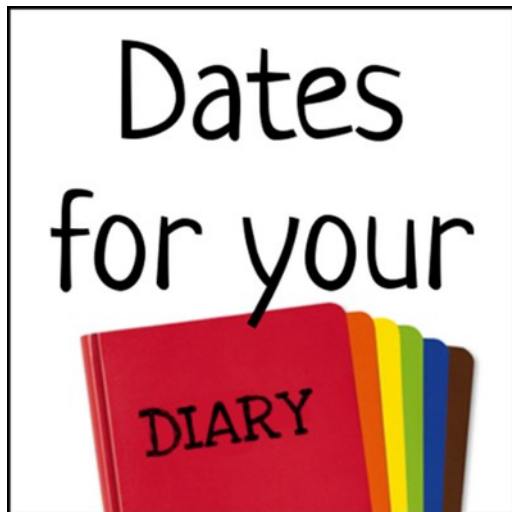

Tesco Community Fund

Our local big Tesco Extra and the small Tesco on London Road have put us in their community fund project so if you're doing your weekly shop, getting a few odds and ends or even just popping for a Costa, please make sure you get a blue token from the checkouts and vote for us as a school, even better, share this info with friends and family for a bigger chance of our school winning!

We appreciate your support!

PACT are holding an art gallery exhibition on Tuesday 19th and Wednesday 20th to coincide with parents evenings. The framed artwork will be available to purchase on the night and then given to your child on the Friday after the exhibition has ended. Please ensure you come and have a browse and see your child's artwork on display! All artwork will be £5 per framed item.
