**Headline!**

**News!**

Welcome to the final term of the year. We say it every year but it really is whizzing by!

The term has started with a bang with a trip to Woburn Safari, the Y5/6 rugby festival, tennis coaching in school and a new group of eager playground leaders. Next week the trips continue with Iris and Demeter both of to various outdoor learning centres, Fathers Day Breakfast and of course, the rehearsals for the summer show; Starwarts.

The only thing that is missing is the sunshine and warmer weather.

Have a good weekend,

Mrs Bodman-Knight

## Playground Leaders

Some of the Year 5 children have become playground leaders. They have loads of ideas but we need your help! We need jigsaws for all ages, colouring books and small world toys such as little figures, bricks, lego etc... Please drop any you have to the school office so we can add these to our rota.

Over the half term, we were given 11 cable reels which we would like to turn into seats, mini games and play areas. If you have any paint/varnish we would appreciate it to jazz them up. In particular we would like green, black, white, blue and red pain and clear varnish.

## Toilets

After 23 years, the boys' toilets for years 2-6 have been replaced. The awful stench is no more, and the boys are now enjoying the use of brand-new toilets, cubicles and sink units. This was only possible with the support of InMAT who covered the cost of this project.

## Stars of the week!

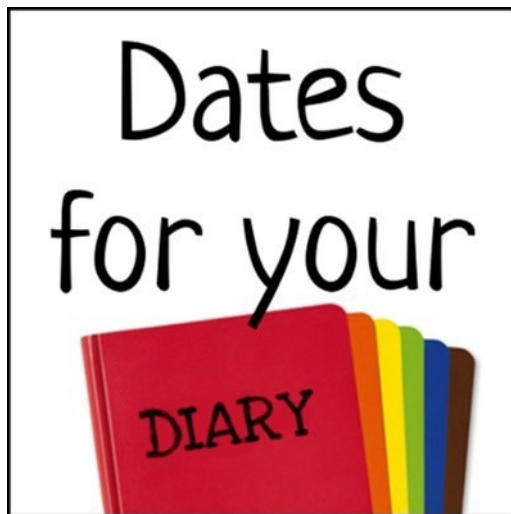

Iris	Raphael
Demeter	Alex
Apollo	Aiden
Poseidon	Mia
Athena	Harley
Zeus	Ruby

## **NUTS and SWEETS**

We are a nut free school. Any packaged nuts, anything containing nuts, whether for school, club snack, school trips, no nuts will be tolerated and will be disposed of. We have severe allergies in school, by putting these in bags you are putting other children at risk.

With regards to giving sweets out for children's birthdays, we appreciate this is a nice thing for children to do, however due to so many different dietary requirements we do ask that

## **DATES FOR DIARY!**
