Headline!

News!

What a week! Changes across the school and changes across our whole country. Thank you all for being so accommodating with the closure for polling. As always, I am aware many of you spoke to candidates about not using schools for this and we have once again shared our displeasure as a school. However, your children all report they had a great day at home whilst staff wrote reports, planned for transition day and looked at the learning for the rest of term.

Next week will bring transition days for the school and a chance for us to welcome our new children for a stay and play session.

Have a good weekend,

Mrs Bodman-Knight

Thank you for your positive responses to the WAC survey. We will be pushing ahead with this and will send out a start date in the next few weeks with more information. We are in the process of recruiting, offering current staff the opportunities first prior to advertising. Again, we will share updates with you in the coming weeks regarding this.

Reminder:

There is to be no photography within the school grounds or within assemblies. For anyone wishing to have a photo of their child with an award, please contact the office who can provide an electronic copy of this

Stars of the Week!

Iris	Arianna Luis
Demeter	Grace Abdullah
