Headline!

Due to the late Euros 2024 match on Sunday and the fact we have the summer show Monday evening, we are aware we may have some very tired pupils. We have taken the decision to allow pupils to come in up to 09:30am on Monday morning and not be classed as late to help aid in keeping the tiredness at bay.

This week all of our children spent time with their new teachers, and we welcomed our new children and families to school. The children all engaged in lessons linked to the No Outsiders scheme (PSHE) looking at differences between themselves and celebrating what makes each of them so amazing.

The key Stage 2 children have been working hard to prepare for the summer show and rehearsals have gone really well. I can't wait to watch it on stage on Monday night.

Thursday saw lots of tired children following the Euros semi-final and we are making adaptations on Monday for those who may be tired on Monday morning.

Have a good weekend,

Mrs Bodman-Knight

SATS RESULTS:

A huge well done to all of our Year 6 children who once again rose to the challenge of SATs. Once again, Hall Meadow children are above the average national for all areas with our combined (Reading/Writing/Maths) being 79% at Age Related in all 3 areas with the national average being 61%. A big thank you to all staff and parents who have worked really hard to ensure our children are well prepared for these tests and the next stage in their education.
