Dear Parents,

We have made it to the end of another year! Like us, you should be proud of your children and everything they have achieved this year. Their demonstration of our school values have continued to shine through everything they do and this was even acknowledged by others at Twin Lakes yesterday.

A big well done to all those who made the summer show such as success and of course our wonderful Year 6 children for excelling with SATs but also for simply being amazing members of our community. We also say goodbye to all those families who are leaving too who have very much been a great part of our wider community.

PACT have just been fantastic in their efforts, and they have lots planned for next year too.

Staff have been incredible, once again, this year and we are sad to be saying goodbye and good luck to Mrs Townend today. A big thank you to all the staff for all our gifts, once again you have all been very generous.

Have a fantastic summer!

Mrs Bodman-Knight

Congratulations to Mr. Farmer who has successfully completed his Early Career Framework training which every teacher has to complete.

Thank-you Wickes, Kettering for their generous donation of painting equipment to decorate our new library!

Class Dojo

We shall be trialling Class Dojo from the end of September next academic year for both our parents and staff to use. This will help bridge any gaps in communication and can be used as a tool when it comes to class trips and assemblies. Further information will come out in September.

Values Award Winners!

For Value:

Iris	Alfie
Demeter	Liyanna
Apollo	Naia

PACT Rainbow Raffle

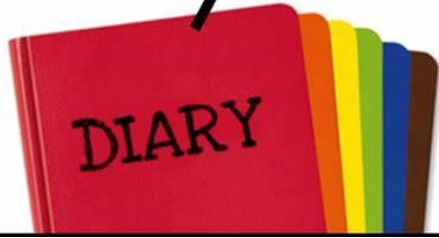

Thank-you so much for participating in our rainbow raffle, we raised together over £500 for our school.

Thank-you for all the help and support over the last academic year, we have had some wonderful events, and we look forward to bringing you more events in the next academic year! See you in September!

From all the
PACT TEAM.
